***“Crop Rotation”***

School: **Branch Area Careers Center  
Coldwater**

Teacher: **Marvin Gage**

Mentor: **Austin Clark**

**TACTILE**

**Design Concept:**

The “Crop Rotation” is designed for the resident living in a large city with limited space to grow plants. It is designed to be used on balconies or roof tops, providing a green space for the residents, as well as providing fresh produce and herbs for healthy and nutritional meals.

## bloom

limited space garden stand

I grow plants for many reasons: to please my eye or to please my soul, to challenge the elements or to challenge my patience, for novelty or for nostalgia, but mostly for the joy in seeing them grow – David Hobson
