“Aquadia Goggles”

School: **Roosevelt Elementary**

Teacher: **Ms. Singles**

Mentors:

Austin Clark

Eli Hausman

TACTILE

Design Concept:

They are goggles that have a tube that filters the air out of the water so kids can learn how to swim.

Aquadia goggles

Full facemask goggles that have a built in filter to pull oxygen out of the water like fish gills, and allow kids to breathe while they're learning to swim.
